

COOL PANDA

COOLPANDA

A platform where users can retrieve coupons by sharing and collecting likes

<https://coolpanda.dk/>

Instructions:

Likers

No need to register or login, users can like a page anonymously, technically each person can only like a page once.

Like collectors

1. Need to login or register.
2. Click the **Go-Collect-Like** button to generate a restaurant's like-collecting page. 
3. Send your like-collecting page to your friends and **invite them to like the page within Coolpanda.** 
4. When enough likes are collected, your like-collecting page would appear an **View Coupon** button. 
5. Show the coupon to the cashier when paying your bill.

Note*: Coupon discount rate would be updated automatically based on the amount of likes you collected.

Restaurants

Offering users the discount rate displayed on the coupon, and remember to click the button **Use Coupon** to deactivate the coupon in case of reusing. 

Easy-Peasy! Enjoy! ! !
